

THE LAUNCHING

DEDICATION

We, the Class of 1952, are proud to dedicate this annual to our parents, teachers and the school. To our parents for having so willingly helped us through our twelve years of school; to the teachers for their patience, kindness, and personal interest in each of us; and to the school for its free educational system. We hope this dedication will convey our appreciation to you.

SENIORS

Class History

The Senior Class of 1952 was organized in September of 1948, under the direction of Mr. Charles Guisinger. There were twenty-seven members, fourteen of whom were in the vocal music group, eight in the band and nine who played on the reserve basketball team. Our class officers were: President, Rita Forsythe; Vice-President, Don Lett; Secretary, Evelyn Good; Treasurer, Nancy Forester. This year we were represented in the operetta, "Wild Rose." Our class dues were twenty-five cents every six weeks. Also, to get more money in our treasury, we sold refreshments at all the basketball games, which was quite successful.

In 1949, we became Sophomores; our class officers being; President, Ruthie Burgess; Vice-President, Don Lett; Secretary, Evelyn Good; Treasurer, Nancy Forester. Mr. Nathan Davis was our class advisor. We still had twenty-seven members; ten in the vocal music group, seven in the band, and seven playing basketball. Our class dues were twenty-five cents every six weeks. We were determined to increase our bank balance this year, so we sold scarlet and gray tape, had bake sales, sold refreshments at the ball games, and had a dance. Also we were represented in the Perry County Music Festival.

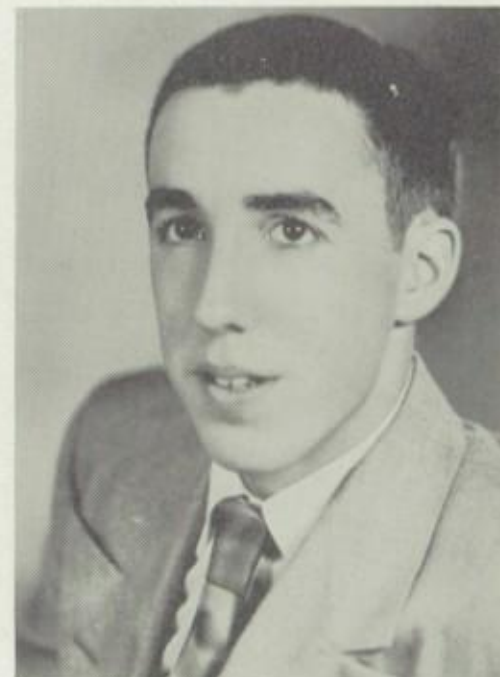

We became Juniors in 1950, with Mr. Nathan Davis as our class advisor. Our class officers were; President, Johnny Beattie; Vice-President, Bill Spicer; Secretary, Jim Grandy; Treasurer, Buddy Wallace. The enrollment of our class had decreased to twenty-three, seven in the vocal group, four in the band, and five playing basketball. This year, our class was honored in sending the high school representative, Ruthie Burgess, to Girls' State, at Columbus, Ohio. Our class dues were changed to fifty cents each semester. We sold refreshments at some of the ball games, we gave our Junior Class Play, "The Antics of Andrew" which was directed by Miss Marjorie Carr, and we had our Junior Carnival. On May 4, we gave a reception for the Seniors. Also, we were again represented in the Perry County Music Festival. During this year also, we sent Juniors, Rita Forsythe and Ruthie Burgess to represent our school in the District Tests at Athens. Rita took the test in English XI, and Ruthie in American History. Ruthie placed eighth in the district and received Honorable Mention from the state.

Now in 1951-1952, we are Seniors. Our class officers are: President, Ruthie Burgess; Vice-President, Johnny Beattie; Secretary, Nancy Forester; Treasurer, Bill Spicer. Our class advisor is Miss Edna L. Price. We have twenty-one members, two having enrolled from Newark High School and from Michigan, and one coming to us from Logan High School. There are six members of our class in the vocal music group, five in the band, and six on the basketball team. Every year our class has been represented on the honor roll. The class dues are twenty-five cents every six weeks period. We sold refreshments at our share of the ball games and had candy sales. We have been trying to build our bank account so that we may be able to take a Senior trip. Where we are going, we have not decided, but we intend to make our last "get together" an event to be remembered.

Ode To The Seniors

Now here sits Beattie,
Johnny, that is,
He's not much for lessons,
But at ball he's a whiz.

Now here is Spicer,
His first name is Bill,
He's tall and he's nice,
And gives the girls a thrill.

Now here comes another,
His name is Don Lett,
He'll be a coal-stripper,
Like his Dad, I'll bet!

Now here comes Blosser,
They all call him "Joe,"
If you want something invented,
Just let him know.

Now here sits Ruthie Burgess,
Who doesn't believe in rest,
She's friendly and chummy,
And gets A's on her tests.

Here comes Forsythe,
Rita's her name,
She's the Cheerleader,
When we play a game.

Here's Berniece Whitmer,
On her finger there's a ring,
She says Cecil,
Is just everything.

Now here's a little girl,
Her name is Forest Green,
She never thinks about her books,
She's always in a dream.

Here comes another,
His name is Eddie Nye,
He's nice and he's neat,
Just an ordinary guy.

Here's a boy called Burgess,
His first name is Don,
He doesn't believe in stop-signs,
He goes right on.

Now here comes a little guy,
You all know Lester Bell,
If you want to buy a car,
He has one to sell.

Here comes another girl,
Her name is Lola Weaver,
She works and laughs all the day,
Just like a busy beaver.

Here comes Nancy Forester,
A friendly, little gal,
She's always into something,
She's got the old "Know How."

Here Comes Virginia Seybert,
Who has a very strong will,
She never has time to stop to talk,
She's always looking for Bill

Here comes Sue Snyder,
She's a short girl too,
She has blonde, curly hair,
And eyes that are so blue.

Here comes Jim,
His last name is Grandy,
His girl's name is Jean,
He thinks she's a dandy.

Here comes Bob Williams
The gals think he is neat,
He's tall and he's handsome,
He's real nice to meet.

Now here comes another,
His name is Bob Starner,
I'll bet he'll be,
A very good farmer.

Now here comes Barbara,
Swackhamer's her name,
She thinks that school is,
A great big game.

Here comes Buddy Wallace,
Who we think is very sweet,
Every time a girl looks at him,
He looks down at his feet.

Here comes Janet,
Her last name is Downs,
She's a right friendly girl,
And very seldom frowns.

Senior Class Prophecy

I, Father Time, sit in my chair in the sun
Reading the news of 1971.
Come peer o'er my weary shoulder and see
All the news of your classmates there may be.

In the courtroom Judge Eddie Nye presides,
And the divorces and lawsuits he decides.

Forest Green is a very fine cook,
Wonder what would happen if she lost her book?

Nancy Forester now works at Essex Wire (Zanesville,)
She takes care of her husband, he's retired.

Lola Weaver married a millionaire,
Now she gives everyone the air.

Ruthie Burgess is a practicing physician,
Wonder what's her patient's condition?

Virginia Seybert now owns the "China Clipper,"
Can't you guess who is her skipper?

A very rich man Buddy Wallace has become,
Since he discovered a new use of radium.

Joe Blosser invented a super rocket plane,
Carries lovers to lover's lane.

Sue Snyder makes a great conductor,
She rides the dog catcher's truck as tour conductor.

Berniece Whitmer wouldn't take anyone's advice,
Now she's already been married thrice.

Rita Forsythe is a swing singer today,
She will soon be competing with Doris Day.

Janet Downs favors conservation
Of our natural resources--men of this nation.

Barbara Swackhamer has become an architect,
She'll build you most any house you select.

Last leap year brought results for Bob Williams,
His girl popped the question and they marched down the aisle.

Bob Starner is exploring volcanoes, I read;
My, will that boy never take heed.

Johnny Beattie has won many laurels in basketball,
His team runs over them all

Lester Bell is working in the 5th dimension,
To out do Einstein is his intention.

Don Burgess, a machine mechanic,
Is slowly driving his bosses frantic.

Bill Spicer, God's gift to the ladies,
Now is employed sitting babies.

Now if you don't know how, but, of course, you do,
Don Lett will teach you how to woo.

And finally Jim Grandy, who is learning to croon,
We all hope he'll give it up soon.

On sayings of wise men we can depend,
One of these is that all good things must end.
The things we have read, you wait and see,
And now you know what the future will be.

-Virginia Seybert-

Class Poem

GRADUATION

The time has come to say good-bye
To all our friends in Straitsville High,
And then continue on our way
To a busy, brighter, future day.

To the many things we all have planned,
Use the opportunities of our land.
But, to reach our goal we must think and say,
"Success will be ours e'en though far away,
If we do our share of both work and play."

And to those who follow close behind,
We advise that they always keep in mind
The things learned here, to use in Life's School
The best of these being the Golden Rule.

So now we part, and smiling, prepare
Of the world's great tasks, to do our share,
But though now we smile, many times we'll sigh
For our happy days in Straitsville High.

Eighth Grade Tests

We were very proud of our Eighth grade last year when the results of the Eighth Grade State Tests were announced. From our school Gary Walker placed seventh in Perry County, while Marilyn Wallace, Glenda Seyffert, Rita Jo Graham, Patsy Davis, Phyllis Jonas, Jon Sanborn, Leatha Proctor, and Ronnie Forsythe received Honorable Mention in the county. We know that they will continue to make New Straitsville High School and their parents proud of them throughout their four years in high school and later in life.

State Scholarship Tests

In the school year of 1951 a plan was revived--with some modifications--in which representatives of our school went to the district meeting at Athens, Ohio, to compete with representatives of other schools of similar size. The competition was of a scholastic nature, in academic subjects presented in the educational program. The choice of contestants was determined by their standing in elimination tests, which were furnished by the State Department of Education and presented in the class rooms. The students who rated first in these tests, represented our school in the following subjects:

Plane Geometry	Robert Lloyd	American History	Ruth Burgess
Algebra I	Horma Jewett	World History	Charlene Nixon
Algebra II	Dorothy Angle	General Science	Lester Ambrose
English IX	Jean Angle	Biology	Richard Wade
English X	Sue Seyffert	Bookkeeping	Joy Babbs
English XI	Rita Forsythe	Social Science	Don Plumley
English XII	Marian Smith		

All of these students are to be commended, and the school is especially proud of Ruth Burgess, who ranked eighth in the district in American History, Bob Lloyd, who was ninth in Plane Geometry, and Marian Smith, who took tenth place in English XII. It very much appreciates also, that because of Ruth's rating in the district in American History, it received Honorable Mention in the state.

Basketeers

Enthusiasm for basketball ran high last October when many hardwood hopefuls answered our first call for practice. The nucleus for the team was formed by veterans of the 1950-51 campaign, including Don Lett, John Beattie, and Bill Spicer. To this roster were added the names of Bob Lloyd, Buddy Wallace, Dick Wade and Pete McQuade, standout reserves from the preceeding year. With this material we started moulding our team.

On November 2, after a month of practice, the Big Red cagers opened their season against Allensville and rolled to a 59-30 victory. Four days later we traveled to Moxahala and suffered our first defeat, 45-48. In the first home game of 1951 we chalked up a win over McLuney, 50-45. After swamping Junction City, N.S.H.S. pulled out all stops with an impressive, 56-51 victory over a tough Shawnee team. Corning Railroaders, our next opponent, halted our winning ways by the score of 54-71. From there, the local boys went on to record three straight conquests, including a thrilling overtime win over New Lexington St. Aloysius. In our last contest before the Christmas holidays, Rosecrans stopped us, 55-66. Beginning the new year the Scarlet-and-Gray thumped Shawnee for the second time, 60-49. We gained revenge for an early season defeat by whipping Moxahala in our next outing. Too much fouling led to our downfall in the Glenford game as the Golden Horde won, 36-68. N.S.H.S. reached their high mark for scoring in trouncing Thornville, 98-62 on January 18. In the most thrilling game of the year, a determined New Straitsville quintet upset undefeated Corning, 80-77. John Beattie led the way in this outstanding triumph with 34 points. A flu-weakened squad dropped two close decisions to McLuney and Somerset, before finishing our away from home schedule with a convincing win at Junction City, 93-52. In the final game of the year Glenford was pressed to the limit to eke out a 57-60 victory over New Straitsville.

Concluding their twenty-game schedule with a record of thirteen wins against seven losses, the Big Red cagers showed three players with scoring records over the 200 mark. John Beattie with his deadly jump-shot was an all-county selection. Don Lett our fine pivot man and rebounder was also an all-county choice. Bill Spicer, outstanding on rebounds and unusually adept at shooting proved another popular vote getter on all-county squads. Add to these three, Buddy Wallace the most improved player on the squad; Bob Lloyd our ace playmaker; Pete McQuade a tower of strength on both offense and defense; Dick Wade a scrapper from the word go; and you have the main reasons for the successful season. Hats off--to a great team that didn't know the meaning of the word quit!

Our reserve basketball team ended the year with a record of 12 victories and 7 defeats. Exhibiting a great amount of hustle and spirit the team was in the battle for the county championship until late in the year when illness dealt a severe blow to our chances.

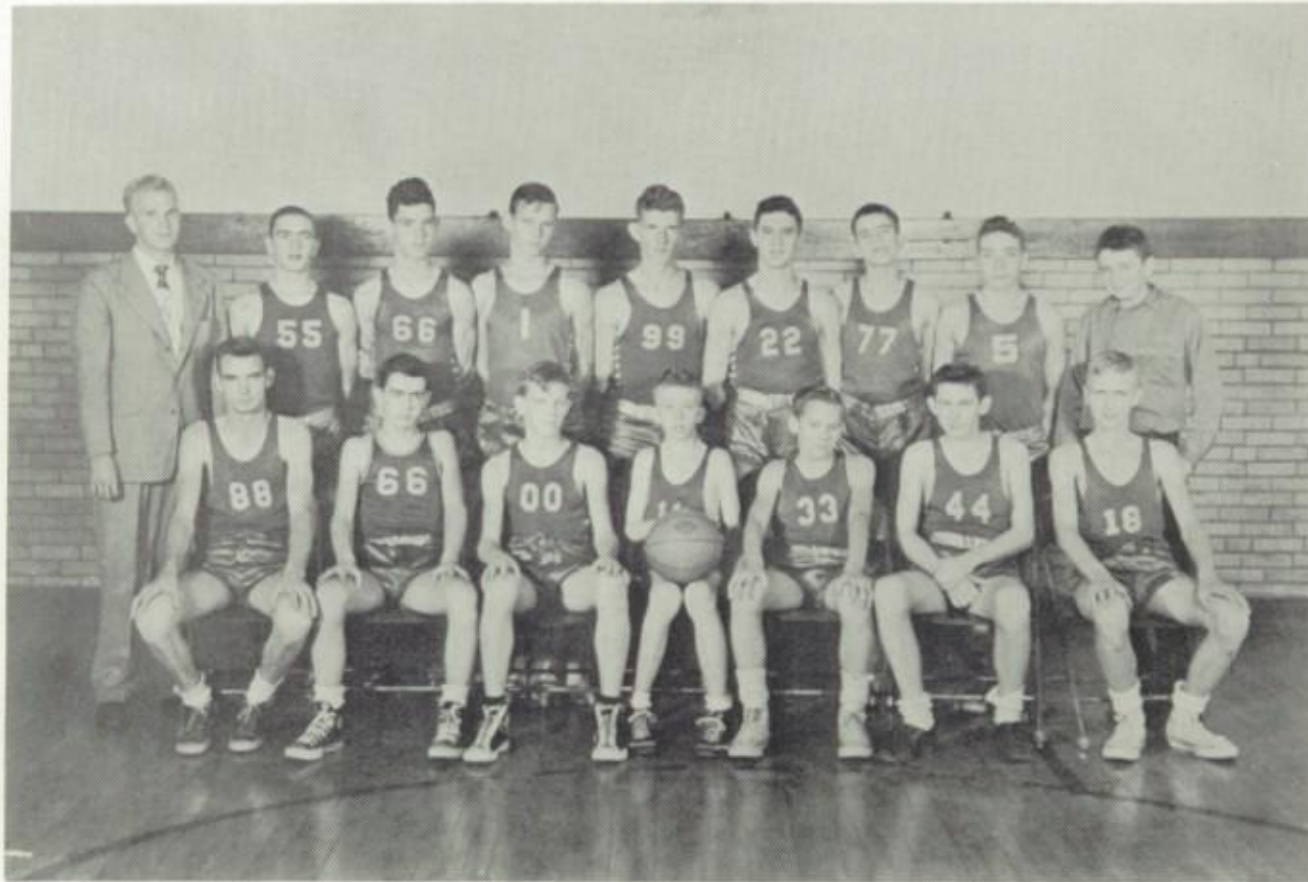

Ernie Hamilton proved the bulwark of the team with a fine display of pivot playing and rebounding, he is counted upon as a standout for the varsity next year. Don Burgess, along with Jim Grandy backed Ernie with smooth performances and consistent scoring. Jack Nye, Tom Jones, Bill Thompson, Bob Litman, Eddie Nye, Delmar Plumley, and Roy Azbell comprised the rest of the squad. All played good ball with flashes of brilliance that could spell trouble for future opponents.

Well done, reserves, keep learning and improving so as to be prepared to take your places as the stars of tomorrow!
